Table 39

Q12a. Please read the following pairs of statements. In each case, please indicate which statement you agree with, using a 0-10 scale on which 0 means you completely agree with statement A, and 10 means you completely agree with statement B.
Statement A:- Where charities fall short of public expectations it is usually because the public doesn't understand the complexities ... charities delivering their purposes
OR Statement B:- Where charities fall short of public expectations it is usually because charities don't spend enough time and trouble ... trying to meet them
Base: All respondents

Charity Commission Trustees Survey - February 2023

ONLINE Fieldwork : 20th February - 8th March 2023

Absolutes/col percents

Table 42

Q12d. Please read the following pairs of statements. In each case, please indicate which statement you agree with, using a 0-10 scale on which 0 means you completely agree with statement A, and 10 means you completely agree with statement B.
Statement A:- If a charity is as big and complex as some businesses in the private sector, the charity's CEO should be paid the same as CEOs for business in the private sector
OR Statement B:- The nature of charity work means that it is wrong that some charity CEOs are paid the same as CEOs in the private sector
Base: All respondents
Sample: Wales

Charity Commission Trustees Survey - February 2023

ONLINE Fieldwork : 20th February - 8th March 2023

Absolutes/col percents

Table 45

Q12g. Please read the following pairs of statements. In each case, please indicate which statement you agree with, using a 0-10 scale on which 0 means you completely agree with statement A, and 10 means you completely agree with statement B.
Statement A:- The way our charity goes about meeting its charitable purpose is as important as whether it fulfils that charitable purpose or not
OR Statement B:- It is more important that our charity fulfils its charitable purpose than how it goes about doing so

Base: All respondents
Sample: Wales

Charity Commission Trustees Survey - February 2023

ONLINE Fieldwork : 20th February - 8th March 2023

Absolutes/col percents

Table 46

Q12h. Please read the following pairs of statements. In each case, please indicate which statement you agree with, using a 0-10 scale on which 0 means you completely agree with statement A, and 10 means you completely agree with statement B.
Statement A:- There's nothing wrong with charities campaigning for change in society, if it helps them meet the needs of those who rely on them
OR Statement B:- Charities should focus on meeting the needs of those who rely on them, rather than campaigning for change in society
Base: All respondents
Sample: Wales

Charity Commission Trustees Survey - February 2023

ONLINE Fieldwork : 20th February - 8th March 2023

Absolutes/col percents

Table 47

Q12i. Please read the following pairs of statements. In each case, please indicate which statement you agree with, using a 0-10 scale on which 0 means you completely agree with statement A, and 10 means you completely agree with statement B.
Statement A:- Charities should respond to social and cultural debates if they want to stay relevant and keep the support of the public
OR Statement B:- Charities should not get involved in social and cultural debates if they want to keep the support of the public

Base: All respondents
Sample: Wales

Charity Commission Trustees Survey - February 2023

ONLINE Fieldwork : 20th February - 8th March 2023

Absolutes/col percents

Table 48

Q12j. Please read the following pairs of statements. In each case, please indicate which statement you agree with, using a 0-10 scale on which 0 means you completely agree with statement A, and 10 means you completely agree with statement B.
Statement A:- Trustees should be cautious with charity funds even if that may limit the help they can give to those in need
OR Statement B:- Trustees should take risks to increase the help available to those in need even if that puts some charitable funds at risk as a result

Base: All respondents
Sample: Wales
