Q.6 Imagining that you were concerned that you might have cancer or you had been recently diagnosed with cancer, to what extent do you agree or disagree with the following statements?

Summary**Base: All respondents**

| | Statements | | | | | |
|--------------------------------|--|--|--|---|--|---|
| | I am confident that GPs will identify signs and symptoms of cancer | I am confident that pharmacists will identify signs and symptoms of cancer | I am confident that practice nurses will identify signs and symptoms of cancer | I would be willing to travel further for a one-off treatment such as cancer surgery if it improved my chances of survival | I would be willing to travel further for ongoing cancer treatment such as radiotherapy or chemotherapy if it improved my chances of survival | Likely long term side effects would affect my decision about what treatments to receive |
