### CATI Fieldwork : 15th-17th April 2011

Absolutes/col percents

Table 1

**Q1 Currently, large UK companies invest heavily in some countries with questionable democratic and human rights records or who threaten a neighbour with war. When the UK Government looks to balance the country's economic interests with broader foreign policy values, which of the following factors do you think it puts first?**

**Base: All respondents**
