## Pensions Survey - Excluding 65+

### Fieldwork : February 17th-19th 2006

Absolutes/col percents

Table 2

**Q.1 One option would be that the government should set up a new computer system to record how much each person is saving and to pay out their pension when they retire. How confident would you be that such a system would...?**

**Ensure you were paid what you were entitled to**

**Base: All respondents**

## Pensions Survey - Excluding 65+

### Fieldwork : February 17th-19th 2006

Absolutes/col percents

Table 4

**Q.1 One option would be that the government should set up a new computer system to record how much each person is saving and to pay out their pension when they retire. How confident would you be that such a system would...?**

**Be secure from glitches, viruses or people trying fraudulently to access pension details**

**Base: All respondents**
