Q3. Prior to the 2015 Budget, there were a number of restrictions on how you could access your career pension savings. This requirement was reformed at the 2015 Budget, in what has been called the 'Freedom and Choice' reform, allowing more flexible access to your pension savings but also exposing people to more risks i.e. the potential to run out of money. Do you think this pension 'Freedom and Choice' reform, has been a good or a bad thing?
