Q.11 The publication of cartoons of the Prophet Muhammad by a Danish newspaper, and subsequently by newspapers in other countries, has caused outrage among Muslims, who regard any depiction of the Prophet as severely blasphemous. Protests against the cartoons have led to the closure of the EU's office in Gaza by armed gunmen, the withdrawal of Ambassadors to Denmark by some Muslim countries, and warnings of increased risk of terrorist attacks by Muslim extremists. I am going to read out some statements that have been made about this. Please say, in each case, if you agree or disagree?
