**Q1a. There will be a referendum on May 5th - the same day as the local government elections and devolved elections in Scotland and Wales. The referendum is on whether to stick with Britain's current voting system or to move to a system where voters number the candidates they like in order of preference, and the candidate who gets more than half the support of the voters in the constituency is elected. Currently how do you think you will you vote in the referendum on May 5th, or do you think you won't vote at all?**
