Q5. A few days ago the Archbishop of Canterbury, Rowan Williams, publicly criticised the current Government saying it had no democratic mandate for its policies. How far do you agree or disagree with the following statements:
Summary

Base : All respondents

		The Government is undertaking big reforms to the economy, health and education which it didn't tell you about during the General Election campaign last year	The Government is right to want to target undeserving benefit recipients and to take payments away from those who abuse or cheat the system	Local councils should be trusted to run local services and ensure they function to a sufficient standard	It is not the job of the Archbishop of Canterbury to criticise Government policies, whether some people share those criticisms or not

Q5. A few days ago the Archbishop of Canterbury, Rowan Williams, publically criticised the current Government saying it had no democratic mandate for it policies.

How far do you agree or disagree with the following statements:

Local councils should be trusted to run local services and ensure they function to a sufficient standard
