Q.4 I'd like to get a sense of how optimistic or pessimistic you are about Britain's economy. Thinking about all the things that may affect the economy - such as changes in salaries and wages, the level of interest rates and tax, the rates of inflation and unemployment, and the strength of the pound - how do you think the British economy will fare over the next year for the country as a whole?

Q.4 I'd like to get a sense of how optimistic or pessimistic you are about Britain's economy. Thinking about all the things that may affect the economy - such as changes in salaries and wages, the level of interest rates and tax, the rates of inflation and unemployment, and the strength of the pound - how do you think the British economy will fare over the next year for you and your family?

Q.5 We're interested in getting a sense of how highly you rate various politicians. Please rate the following on a scale of 0-100, where 0 means you have a very negative view of them and 100 means you have a very positive view of them. If you have never really heard of one them, or don't know enough to have a view, then please say so?
