**Q5. I'd like to get a sense of how optimistic or pessimistic you are about Britain's economy. Thinking about all the things that may affect the economy - such as changes in salaries and wages, the level of interest rates and tax, the rates of inflation and unemployment, and the strength of the pound - how do you think the British economy will fare over the next year?**

**-Summary****Base: All respondents**

Q.7 Summary				
	The Leveson Inquiry will result in a healthier, more arms-length relationship between politicians & the media	The Leveson Inquiry will lead to more effective regulation of the press offering better protection to members of the public against unwarranted intrusion into their private lives	The Leveson Inquiry has received too much coverage in the media given how many other issues of more direct importance there are to report on at the moment	The Leveson Inquiry has lost its way as a procession of politicians, journalists and celebrities have simply tried to defend themselves against one another's allegations
